2011, Aug 25	Keynote speaker on "La Casa Sustentavel" in IV CONGRESSO INTERNACIONAL DE ARQUITETURA & URBANISMO E ENGENHARIA CIVIL, Foz do Iguaçu - Brasil
<b>Industry-sponsored conferences and workshops</b>	
2014, Oct 22-23	Cape Town, World Design Capital 2014   Invited speaker for 2 Conferences on «Innovation in Architecture», funded by ITA - Italian Trade Agency, Cape Town, South Africa.
2014, Jan 27-31	Organization of the Workshop "Design with lighting. Day-lighting and natural ventilation control devices" with VELUX, Roma TRE University, Department of Architecture
2013, May 4-5	Speaker in the National Tour of conferences "Smart Village in Tour" on "Sustainable building for Mediterranean Climate", Rimini and Ancona, Italy
2013, Apr 30	Speaker in the National Tour of conferences "Smart Village in Tour" on "Sustainable building for Mediterranean Climate", Confindustria, Roma, Italy
2012, Nov 23	Keynote speaker at JOB&Orienta meeting for green-building jobs, Verona, Italy
2012, Apr 18	Speaker at the 6 <sup>th</sup> Textile Innovation Day on "Textile Buildings? New materials for the sustainable living" Polo tessile, Biella, Italy
<b>International Fairs for promoting designs or devices (+ design of exhibition stands)</b>	
2014, Oct 22-25	The RHOME for denCity model at the <u>SAIE Building Fair</u> , Bologna, Italy
2014, Oct 3-5	«Dwell!», the digital device to enhance users awareness on energy management in housing presented at <u>Maker Faire Rome</u>
2014, Jan 23 - 26	Presence of RHOME for denCity models at <u>Klimahaus</u> - International Fair on energy efficiency and building refurbishment, Bolzano, Italy
2013, Nov 6-8	Presence of RHOME for denCity model at <u>BATIMAT</u> , International Building Fair, Paris, France

2013, Oct 3-6	The digital concept on users awareness in housing is presented at the 1 <sup>st</sup> <u>Maker Faire</u> Rome
2013, Jan 24 - 27	Presence of RHOME for denCity model at <u>Klimahaus</u> - International Fair on energy efficiency and building refurbishment, Bolzano, Italy
2012, Oct 18-21	The real MED in Italy prototype at the <u>SAIE Building Fair</u> , Bologna, Italy
2012, Jan 26 - 29	Presence of RHOME for denCity model and mock up at <u>Klimahaus</u> - International Fair on energy efficiency and building refurbishment, Bolzano, Italy
2011, Oct 5-8	MED in Italy mock up and model at the <u>SAIE Building Fair</u> , Bologna, Italy
2011, Mar 17-Nov 20	MED in Italy model at Exhibition of the most innovative project in Italy: " <u>Future Station</u> ", Turin, Italy
2011, May 16-21	MED in Italy model at <u>CONSTRUMAT</u> Building Fair, Barcelona, Spain

#### TV SHOW presenter and TED conferences speaker

She took part as guest to many TV shows and Radio programs, and writes regularly on the blogs: *Che Futuro!* and *Huffington Post*, in the believing that dissemination is a very important goal and that every *media* could help in this mission.

2017, May	Speaker at TEDx Reggio Emilia, "Living as a common good"
2015, Mar	"Scala Mercalli", TV show on Environmental disaster and opportunities   Role: invited speaker. National Channel RAI TRE.
2014, Nov	"The classroom", TV Reality on bringing back students at school   Role: Teacher on Environmental topics. TV Channel "TV2000"
2013 Jun 1	Speaker at TEDx Milan, "Smart citizen for active houses", Milan, Italy
2013	Host at RAI TRE (National TV Channel) show "Geo & Geo" in the block on the "Sustainable House"
2012 June 17	Ted style Conference "NEXT: 30 Italians who will change our life. Future is back" for the 1 <sup>st</sup> edition of "La Repubblica delle idee", a format of the main Italian newspaper, Bologna, Italy
2012	"La casa che verrà" TV show Host on the prototypes presented at the 2011 Solar Decathlon Edition in Washington DC, USA
2005-2013	"Comfort for stranger" a reality on Interior Design and Architecture. TV show Presenter of 12 series on Real Time Discovery Channel (Sky platform and digital)

#### ACADEMIC RESPONSIBILITY

##### At post graduated degree

Advisor 2017-2019	Research fellowship in Technology of Architecture, University of Roma TRE, Italy – Ilaria Montella «Housing Emergency and new Dwelling Models»
Advisor 2016-2019	XXXII Doctoral program in Technology of Architecture, University of Roma TRE, Italy Nicola Moscheni's thesis on «School Building Innovation and new educational models»
Reviewer 2016-17	Doctoral program in Energy Efficiency, University Rome Sapienza, Italy
Advisor 2015-2018	XXXI Doctoral program in Technology of Architecture, University of Roma TRE, Italy Barbara Cardone's thesis on « Residential environment and society, relationship between housing needs and geometry of the space for new building standard»
co-advisor 2013-2015	XXVIII Doctoral program in Technology of Architecture, University of Florence, Italy Ilaria Montella's thesis on «Housing emergency. Analysis and proposals for informal city: from inhabitants resilience to the urban regeneration», Advisor R. Bologna

Advisor 2013-2015	Research fellowship in Technology of Architecture, University of Roma TRE, Italy - Stefano Converso «Parametric Design of Thermodynamic facade cladding systems»
Reviewer 2014	Doctoral program in Building Engineering, Polytechnic of Milan, Italy Arianna Brambilla's Ph.D. Thesis on «Mediterranean Active House: analysis of climate and users impact on energy and indoor comfort in the new efficiency standard for sustainable buildings», Advisor Marco Imperadori
Advisor 2014-2015	Scholarship in Technology of Architecture, University of Roma TRE, Italy on «Fast assemblies construction technics for informal settlements» F.Ferlicca, I. Montella, V. Panasiti
Advisor 2012-2013	Scholarship in Technology of Architecture, University of Roma TRE, Italy Ilaria Montella on «Sustainable Building e-learning tools»
Advisor 2011-2012	Research fellowship in Technology of Architecture, University of Roma TRE, Italy Stefano Converso on «Software Interoperability in Integrated Design»
co-advisor 2012	Scholarship in Technology of Architecture, University of Roma TRE, Italy Cecilia de Marinis, Gaia Romeo on «Accessible Towns»
Advisor 2012	Scholarship in Technology of Architecture, University of Roma TRE, Italy Massimo Del Buono, Maria Leporelli on «Solar energy production»
Advisor 2012	Scholarship in Technology of Architecture, University of Roma TRE, Italy Flaminia De Rossi, Giulia Maranesi on «Safety in building sites: the timber construction assembly risks»
Advisor 2012	Scholarship in Technology of Architecture, University of Roma TRE, Italy Riccardo Magnisi, Marta Pellegrini on «To render graphically a design concept: the bioclimatic behavior schemes»
co-advisor 2011-2012	Research fellowship in Technology of Architecture, University of Roma TRE, Italy Pietro Mencagli on «E-learning tools for accessible towns»
<b>At under-graduated degree</b>	
2004-present	She has been main advisor of around 30 theses at Bachelor Degree at home institution.
2000-present	She has been co and main advisor of around 50 theses at Master Science Degree at home institution and Sapienza University of Roma.

## TEACHING ACTIVITY

### Post-lauream

2015, Jan	Free University of Bozen Italy   Master ClimateHouse on «Building Energy Performances»   «Design Principles at Building scale» (32 h) - Selection July 2014
2014-2015 2012-2013	Roma TRE University   Master on Sustainable Design Taught module: "Environmental design"
2014, Jan	Workshop ITAD - Italy Top Architecture Drawing Study Tour for Shanghai Students
2013, July	Workshop International DfWA Design for Waterfront Architecture
2012-present	Roma TRE University   Ph.D. in «Landscapes of the contemporary City. Politics, technics and visual studies»
2009-2010	Roma TRE University   Advanced Course «Building site Management». Taught module: "Technological design for Architecture" (4 ECTS)   member of the Scientific Committee
2004-2009	Sapienza of Rome University   Master on Health and Care Facilities Taught module: "Technology of Architecture" (4 ECTS)

### Master science degree at home institution as lead faculty

2014-2015	MSc in Architecture   «Technology of Architecture» (6 ECTS) 1st y - Fall semester
2008-2009	MSc in Urban design   «City and Environment» (6 ECTS)
2007-2008	MSc in Urban design   «Culture of the Architectural Technology» (6 ECTS)

**Master science degree at home institution as co-instructor**

2014-2015	MSc in Architecture   «Construction Design Workshop» (4 ECTS) 1st y - spring semester (4 profs involved/4ECTS each)
2013-2014 2012-2013	MSc in Architecture  «Architectural Design Workshop 2M (16 ECTS) 1st y – spring semester (3 profs involved – her task 2 ECTS)
2013-2014 2012-2013	MSc in Architecture   «Architectural Design Workshop» 1M (12 ECTS) 1st y – Fall semester This course is conceived as an intensive workshop of 10 days. In the 1st year best students’ design proposal has selected for Solar Decathlon 2014. In the 2nd year this workshop focused on day-lighting: the urban building and the prototype presented at Solar Decathlon 2014 have been verified trough the job carried out in the workshop.

**Bachelor degree in Architecture at home institution as lead faculty**

2011-2012 2010-2011	«Construction Design Workshop» (10 ECTS) 2 <sup>nd</sup> y - spring semester
2009-2010 2008-2009 2007-2008	«Environmental Design» (8 ECTS) 2 <sup>nd</sup> y - spring semester

**Bachelor degree in Architecture at home institution as co-instructor**

2013-2014 2012-2013	«Architecture Design Workshop 2» (10 ECTS) (2 profs involved - her task 2 ECTS)
------------------------	---

**Visiting professorship**

2017, Nov	Centro Universitário Dinâmica das Cataratas - UDC. Foz do Iguaçu, Brasil   Course “Sustainable Housing” 24 h
2014-2015	TUM Germany   Chair of «Building Construction and Material Science» Seminar on «High Energy Efficiency Buildings for Mediterranean Climate» (3 ECTS) at MSc D - Fall semester (Oct-Mar)
2014, Feb-Mar	WIT-Waterford Institute of Technology   Erasmus Intensive Programs «Building Envelops retrofitting» (4 ECTS at post-graduate level). 15 days workshop for Roma TRE Italy, Paris Malaquais France, WIT Ireland and TUM Germany w 15 students each, funded by the EC.
2011, Aug	Centro Universitário Dinâmica das Cataratas - UDC. Foz do Iguaçu, Brasil   Course “Sustainable Housing” 24 h
2006-2007 2005-2006	Sapienza University of Rome   BD in «Project Management» «Technology of Architecture» (8 ECTS) 3 <sup>rd</sup> y - spring semester
2002-2003 2001-2002	Sapienza University of Rome   MSc in «Architecture UE» «Culture of the Architectural Technology» (8 ECTS) 5 <sup>th</sup> y - fall semester
2001-2002	Sapienza University of Rome   BD in «Interior Design» «Industrial Production» (4 ECTS) 2 <sup>nd</sup> y - spring semester
2001	Roger Williams University in Rome   Studio Design Visiting critic   spring & fall
2000-2001	Sapienza University of Rome   BD in Building Construction «Technology of Architecture» (4 ECTS) 3 <sup>rd</sup> y - fall semester

**Invited lectures at international universities**

2017, 31 <sup>st</sup> October	Centro Universitário Dinâmica das Cataratas - UDC. Foz do Iguaçu, Brasil   Lecture “Climate Change and Energy Efficiency in Housing”
2017, 30 <sup>th</sup> October	Centro Universitário Dinâmica das Cataratas - UDC. Foz do Iguaçu, Brasil   Lecture “Housing Evolution”
2015, Mar 18 <sup>th</sup>	Universidad Internacional Menéndez y Pelayo. Sede de Sevilla   <i>Lecture</i> in “Investigación en vivienda industrializada con energías renovables. Solar Decathlon y Proyecto Siver” on «Regeneración urbana a través de edificios efficientes en madera» (Urban regeneration

	through timber efficient building)
2014, Oct 28 <sup>th</sup>	UNSAM Università di San Martin, Buenos Aires Argentina   <i>Lecture</i> in the "Taller de Arquitectura y Urbanismo" on «Soluciones de regeneración urbana a través de edificios con energía positiva» (Solutions of urban regeneration through positive energy building)
2013, June 25 <sup>th</sup>	TUM Germany   Visiting critic and lecture on «How to design high efficient buildings» at the visiting chair «Emerging Technologies» Prof. M. Cucinella
2013, June 13 <sup>th</sup>	Polytechnic of Milan, Italy   Lecture to Msc Students on «MED in Italy, the sustainable house for the Mediterranean climate»
2013, June 5 <sup>th</sup>	University of Ascoli, Italy - Lecture to Msc Students on «How to design high efficient buildings for Mediterranean Climate»
2013, May 31 <sup>st</sup>	University of Pescara, Italy - Lecture to Msc Students on «How to design sustainable buildings»
2013, Apr 23 <sup>rd</sup>	Sapienza University of Rome, Italy - Lecture to Msc students on «High efficient buildings for mild-warm climates»
2012, Nov 10	Inter-departmentally course of Roma TRE University on «Gender, Profession and Institution»   Lecture on «Female leadership: the Solar Decathlon case»
2009, May 15 <sup>th</sup>	Inter-departmentally course of Roma TRE University on «Gender, Profession and Constitution»   Lecture on «The building site: from an opportunistic site to an opportunity»

## HIGHER EDUCATION

1996-1999 discussion 2000, Apr 28	PhD at Sapienza University of Rome Tutor: Prof. Roberto Palumbo Topic: Technological design for Architecture «Morphological quality. Strategies to orient the constructive process»
1988-1995	Bachelor and Master degree in Architecture at Sapienza University of Roma
1994	Post-graduated Master degree in «Urban Studies and Architecture Seminar», New Jersey Institute of Technology, New Jersey, USA
1993-94	ERASMUS scholarship for 9 months at the School of Architecture of the University of Geneva, Switzerland
